OMAHA DOUGLAS FEDERAL CREDIT UNION

INSIDER

One Year Later

It's been one year since we made the difficult decision to close our lobby doors as the pandemic became widespread. What a year it has been. Thank YOU to our members for being flexible this past year as we try our best to keep our staff, and members with appointments at the credit union, safe and healthy. As we continue physical distancing, our drive thru remains open, while our lobby is open to members by appointment.

We have found ways to make banking easier for you during the pandemic. For example, loan closing paperwork can now be completed via secured email or in the drive thru! Our mobile app has become more robust with the addition of remote deposit. We also launched CardValet, a mobile app to add an extra layer of security to your debit card.

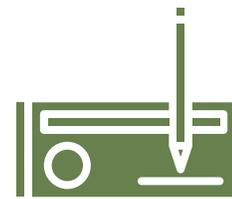

We will weather this storm together. Omaha Douglas is proud to be your credit union. Credit unions' philosophy of "people helping people" has been our guiding principle throughout this crisis. Please reach out if you are experiencing economic hardship related to the pandemic. We will do our best to work with our members on a case-by-case basis. Stay safe. There is light at the end of tunnel.

Save the Date!

Our Annual Meeting will be held in
October this year.
